The screenshot shows the IBM Cloud dashboard in a web browser. The browser's address bar displays 'cloud.ibm.com'. The dashboard header includes the 'IBM Cloud' logo, a search bar, and navigation links for 'Catalog', 'Manage', and 'Janani V's Account'. The main content area is titled 'Dashboard' and features a 'For you' section with several quick-start guides: 'Build' (10 min), 'Set up your IBM Cloud account' (15 min), 'Build a web app with Watson Speech to Text' (15 min), 'Get Started with Watson Studio' (2 hr), 'Build a Virtual Private Cloud (VPC)' (7 min), 'App Connect' (2 min), and 'Build and deploy N apps' (2 min). Below this, there are sections for 'News', 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status'. The status section includes a world map. The bottom of the image shows the Windows taskbar with the search bar and system tray.
